COMPANY
PROFILE

OVERVIEW

Sentinel Protection is a leading provider of comprehensive security solutions, dedicated to safeguarding our clients' assets and ensuring peace of mind. Founded in 2022, our mission is to deliver exceptional security services tailored to meet the unique needs of each client, backed by a commitment to professionalism and innovation.

OUR SERVICES

Advisory & Compliance

Ensuring organizational policies and procedures meet international standards.

Customized Security Solutions

Tailored strategies to mitigate potential threats effectively, aligned with the ISO31000 risk management standard.

Security Audits

Comprehensive audits to test & strengthen security systems & management.

Security Guard Services

Sentinel Protection offers a range of security guard services, including manned guarding, patrol services, event security, unarmed and armed security officers.

Consulting & Risk Assessment

We identify and evaluate potential risks to ensure pro-active protection.

Armed Reaction

We provide 24/7 Alarm monitoring & armed reaction services.

Security Technology Solutions

We provide comprehensive security technology solutions to enhance your security infrastructure:

Electric Fencing:

Our electric fencing solutions create a physical barrier to deter intruders and enhance perimeter security.

CCTV Cameras:

We offer advanced CCTV surveillance systems with high-resolution cameras, remote monitoring capabilities, and video analytics for real-time threat detection.

Access Control Systems:

Our access control solutions include biometric systems, keycard access, and RFID technology to control entry and exit points, restrict unauthorized access, and track personnel movement.

Alarm Systems:

We design and install alarm systems with intrusion detection sensors, motion detectors, and audible alerts to quickly respond to security breaches and protect your property.

Close Protection Services

Sentinel Protection provides close protection services for individuals or groups requiring personal security in high-risk environments. We have extensive experience in safeguarding very high-end clients, including VIPs, executives, celebrities, and dignitaries, ensuring their safety and confidentiality at all times. Our vehicle hires include but are not limited to: B4, B6, Armored Vehicles, Luxury armored vehicles.

Journey Management

Planning & monitoring safe travel for staff and operations in high-risk areas, guided by the ISO31030 travel risk management standard.

KEY DIFFERENTIATORS
